American TRADITION S E R I E S™ WOOD COLLECTION

Enjoy the handcrafted quality and rich traditional carriage house style without the maintenance of wood. The American Tradition Series™ doors contain CFC free polyurethane insulation with a calculated R value of 13.45. Overlay boards are glued and pinned to the door and hand painted in a rich Ash or Mahogany finish to match the embossed steel underneath.

Ash (above) and Mahogany (below) are available on all of our American Tradition Series™ doors. The hand-finished and custom matched overlays combined with embossed matching steel gives you the exact appearance of real wood.
